Subject: Dissolution of the Hugau Moneterme SP mutual fund following the redemption of Gaz Capital shares

Dear Sir/Madam,

You are the unitholders of the "Hugau Moneterme SP" mutual fund (ISIN code (I): FR0014009QD5 ISIN code (R): FR0014009QC7) for which the management company is Hugau Gestion; we thank you for your trust.

What changes will be made to your Hugau Moneterme SP UCITS

We hereby inform you that following the recovery of Gaz Capital 2.25% Lux bonds, a subsidiary of the Russian company Gazprom, ISIN CH0374882816 maturing 19/07/2022 in CHF and Gaz Capital XS0805570354 4.95% Lux maturing 19/07/2022 in USD (the bonds), on 19 July 2022, Hugau Gestion decided to liquidate the Hugau Moneterme SP mutual fund and to proceed with the redemption of unitholders in accordance with the fund's regulatory documentation.

The Hugau Moneterme SP fund holds two bond securities issued by the Luxembourg subsidiary Gaz Capital of Russian company Gazprom, ISIN CH0374882816 maturing on 19/07/2022 in CHF and XS0805570354 maturing on 19/07/2022 in USD (the bonds) following the decision of the management company dated 01 April 2022 to ring-fence these securities that have become illiquid in its money market fund.

The Russian army's invasion of Ukraine on 24 February led to the implementation of severe Western sanctions affecting the entire Russian banking system and leading to difficulties in trading Russian securities or their subsidiaries. This made it necessary to segregate these securities in order to protect the interests of unitholders.

The Hugau Moneterme SP fund aims to run off its assets. The liquidation of the UCITS is finalised following the recovery of all of its illiquid assets, in this case with the redemption of the securities realised on 19<sup>th</sup> and 20<sup>th</sup> of July 2022.
