

**Virginie Breton** is a graduate of the Sup de Co business school with a major in Finance. She began her career in Management Control at the CIC European Union, then as a Back-Office production manager for Forex and Money Market at CIC.

In 2000, she joined Ecofi Finance as a Front Office Assistant.

In 2001, she moved to the Management Control and Monitoring Department of Ecofi-Investments. She participated in various reporting projects, in particular the implementation of a tool for calculating performance attribution, and in projects to automate client and regulatory reporting (Solvency II, AIFM, Factsheets, SRI, etc.). In 2017, she joined Hugau Gestion as Assistant to the Risk Director.
