

Pierre-Olivier Bordes is a graduate of the Paris Institute of Statistics and the Actuaries Institute.

He began his career at ECOFI GESTION as a bond manager in 1986 and then joined CARDIF in 1989 (BNP PARIBAS Group), a company in which he oversaw the management of bond and money market UCITS as well as all the regulated Insurance assets. In 1998 he returned to the ECOFI Group to develop the quantitative portfolio management, which got outsourced to the asset manager COGITAM in 2007, where he was Managing Director before joining HUGAU GESTION in June 2013 as the Director of Risk Control.
